Englefield Wall Mount Bath Spouts

BPIR Declaration

Version: A (12/23)

Designated building product: Class 1

Declaration

Kohler New Zealand Limited has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

Product/system

Name	Englefield Wall Mount Bath Spouts
Identifier	Milano/Studio

Description

The Englefield Milano/Studio Wall Mount Bath Spouts are manufactured from DZR brass complying with AS 2345.

They are intended for use in residential & commercial applications.

Both models are available in chrome finish. Studio model is also available in brushed nickel and matt black finishes.

Scope of use

The Englefield wall mounted bath spouts are intended for use with hot & cold water in residential & commercial applications.

Both models are wall mount & have G 1/2" inlets that are compatible with GB 1/2" metallic supply fittings.

Conditions of use

The Englefield wall mount bath spouts must be installed by a registered plumber in accordance with the supplied instructions & in compliance with the relevant requirements of AS/NZS 3500.

The water supply pipes must be flushed thoroughly to remove any debris. In-line water filters must be used.

The maximum permitted temperature of water at the outlet is 50 degrees Celsius.

This product is cleanable and impervious to moisture — cleaning shall be done in accordance with the supplied cleaning instructions.

Relevant building code clauses

B2 Durability — B2.3.1 (c)

F2 Hazardous building materials — F2.3.1

G1 Personal Hygiene — G1.3.2

G12 Water Supplies — G12.3.2, G12.3.5

Contributions to compliance

- B2.3.1(c):** Per B2/AS1, Durability Requirements of Nominated Building Elements for Plumbing Fixtures, Englefield wall mount bath spouts have a durability of at least 15 years, when installed and maintained in accordance with our supplied instructions. Englefield wall mount bath spouts are designed & manufactured to AS/NZS 3718 (Water supply— Tap ware) & are Watermark certified to this standard under Licence no. WM-021158.
- F2.3.1:** No materials used in the construction of Kohler wall mount bath spouts give rise to harmful concentrations at the surface of the material where the material is exposed, or in the atmosphere of any space.
- G1.3.2:** Englefield wall mount bath spouts feature chrome, brushed nickel and matt black finished surfaces for ease of cleaning.
- G12/AS1 2.1.2:** All installations should comply with local plumbing codes and relevant requirements of AS/NZS3500.
